

Join us for the dedication of the

EcoCampus: Powered by Innovation

Saturday, January 28, 2012, 10am - 1pm

Burbank Water and Power
164 W. Magnolia Blvd. Burbank, CA 91502

A Community Fair and Dedication Ceremony to Celebrate California's First Sustainable Utility Campus

Special Guests Senator Carol Liu, Burbank Mayor Jess Talamantes and representatives of the US Department of Energy. The day's program will be hosted by Discovery Planet Green's *Planet 100* Host, and green media maven, Sarah Backhouse.

Join us for exhibits, tours, music, food trucks, children's activities and much more! Burbank residents attending the event will receive a highest-efficiency LED bulb, so bring your Drivers License showing your Burbank address.

Free Parking at Metro Parking Lot on Olive Street. Shuttles will be provided. For more info, please call BWP at 818-238-3730.
