SUBJECT: 2012 CMUA Capitol Day Events and CMUA Board of Governors' Meeting

Please mark your calendars for CMUA's Capitol Day on Monday, January 23, 2012. This will be your agency's opportunity to hear from legislative leaders in water and energy, to meet the newly elected legislators and explain your agency's views on pressing public utility issues including renewable energy, water and energy efficiency, implementation of the Delta package and much more.

Legislative Briefing & Lunch - Hear from key legislators and committee staff about the energy and water issues that will dominate the 2012 legislative year. The briefing will be held on Monday, January 23rd at the Sheraton Grand Sacramento (1230 J Street, in Gardenia Salon Room) beginning at 10:30 am with legislative visits following lunch.

Legislative Visits & Reception - Please schedule appointments to meet with your legislators and their staff the afternoon of January 23rd and invite them to the President's and Vice President's Reception planned for that evening at the Sheraton Grand Sacramento from 5:00 to 6:30 pm.

Due to Fair Political Practices Commission regulations, these personal invitations cannot come from CMUA staff. Formal invitations will be delivered in early January from the President and Vice President of CMUA to the legislature.

Please keep CMUA informed of any RSVP confirmations you receive from those you invite to the reception.

CMUA will schedule legislative visits for water agency members and non NCPA or SCPPA members upon request. Please let us know by January 6th if you are interested in this CMUA member service.
