

JOIN THE SAN DIEGO COUNTY WATER AUTHORITY!

The San Diego County Water Authority is a progressive, independent public agency that serves as San Diego County's regional water wholesaler. The Water Authority's mission is to provide a safe and reliable supply of water to its 24 member agencies serving this semi-arid region's \$222 billion economy and its 3.3 million residents.

MAINTENANCE WORKER I/II

Maintenance Worker I: \$23.19 - \$31.19 / hour (\$48,231 - \$64,866 Annual)

Maintenance Worker II: \$26.89 - \$36.17 / hour (\$55,933 - \$75,225 Annual)

The position may be filled at either level, depending on candidate qualifications. The individual selected for this position will be assigned to the **Rotating Equipment Division**. The Rotating Equipment Division is responsible for the diagnosis and repair of a wide variety of mechanical equipment, systems and machinery, such as valves, motors, pumps and other equipment common to the waterworks field. Candidates must have the ability to use precision and diagnostic instruments to measure required tolerances of mechanical parts; arc weld and oxygen-acetylene cut; and skillfully and safely operate light-, medium- and heavy-duty construction equipment. Incumbents may perform some or all of the following duties: maintain pump stations and hydroelectric facilities (including maintaining motors, pumps, valves, turbines, hydraulic systems, pipe, and mechanical equipment; performing vibration analysis, thermography, pump/motor alignment, and oil analysis; and maintaining HVAC systems); perform modifications and upgrades to mechanical systems and facilities, Computerized Maintenance Management System (CMMS) development, implementation, data recording and input; manage maintenance contracts; and implement safety procedures.

Any combination of experience and training that would provide the required knowledge, skills and abilities will be considered. A typical example of qualifying experience would be:

Maintenance Worker I: At least one year of work experience in utility, or public works-related, maintenance and construction.

Maintenance Worker II: At least two years of work experience in utility, or public works-related, maintenance and construction. One year of experience must have included the full range of duties and responsibilities comparable to a Water Authority Maintenance Worker I.

A valid California driver's license and the ability to maintain insurability under the Authority's Vehicle Insurance Policy is required.

To view the full recruitment bulletin or to complete an online application, visit www.sdcwa.org. Complete applications and supplemental questionnaires must be received by 5:30 p.m. on Monday, July 31, 2017. **This recruitment will close at 5:30 p.m. on Monday, July 31, 2017, or once 200 applications have been received.** Qualified candidates are encouraged to apply immediately. Resumes will not be accepted in lieu of a completed application and supplemental questionnaire.
