[Find Your 'Journey to Significance' at CMUA Annual Conference Session](#)

Speaker and author Erick Rheam will share his Secrets of Successful Influence, Encouragement, and Communication during a main session March 26 at CMUA's 2018 Annual Conference in San Francisco. Rheam will discuss the three pillars of successful team building, and how to effectively use human dynamics to motivate others to buy in to a common vision. He will also challenge conference-goers to consider their "journey to significance" and provide immediate action items for work and life. Space is limited.
