CMUA NEWS & VIEWS

The latest from the California Municipal Utilities Association and its members

The Carr Fire is severely impacting the service areas of at least three Publicly Owned Utilities in Shasta and Trinity counties. The fast-moving continues to grow in and around communities that get electric service from the City of Shasta Lake, Redding Electric Utility (REU) and Trinity Public Utilities District.

CMUA is monitoring the evolving situation, and we will continue to update members as events unfold. Here are several headlines from Friday.
